

LILY'S BRUSSELS

Events & Private Hire

A distinctive address in the heart of Brussels

From long tables to large celebrations, Lily's adapts to your occasion. Groups of 12 to 45 can dine together in the welcoming Pergola without hiring the space exclusively.

The Pergola

Adjoining the restaurant, the Pergola brings the spirit of Lily's to a different setting. Framed by full-height windows and greenery, it is a warm place for smaller gatherings or long tables of up to 16 guests each.

Maximum capacity of 72 guests

The Club

A discreet, intimate space for receptions, photo shoots, presentations and dancing. The Club opens onto a terrace that your guests can also enjoy.

On warm days, the terrace becomes a secluded garden with lush planting, soft lighting and gentle summer evenings. As the temperature drops, it transforms into a cosy chalet, where winter is a lovely excuse to come together.

Friday and Saturday evenings are reserved for our Private Club.

Exclusive venue hire

For larger occasions, the entire venue is available for private hire. Start with an aperitif on the terrace, sit down to dinner in the restaurant, then join your guests on the Club dance floor.

Seated dinner for up to 160 guests
